

## Clarification in Technical Specifications

**Bidder : M/s Syrma Technologies Pvt. Ltd.**

Ref : Pre bid queries dtd. 14/02/2018

Tender No. : 1643 (DGP/17/6162/Communication Analyzer/09/2018 dtd.02/02/2018)

(These clarifications are applicable for all the responding bidders)

1	Sr. No.	A. Operating / Display Modes
2	Tender Reference (Page No./Clause No.)	Page No.12 Clause - A, Sub Clause - (16)
3	Tender Clause	Test Mode : Necessary software shall be provided for DMR and shall support for TDME, P25-FDMA Phase-II and TETRA.
4	Syrma's Observation / Query	We presume that the requirement of Communication Analyzer you have tendered is for DMR TIER-II Radios.
5	Response to Query	Bidders assumption is correct, as purchaser needs Digital Communication Analyzer with DMR protocol ready (i.e.Necessary Software shall be provided for DMR) and it should be capable to upgrade for TDMA, P25, P25-FTDMA Phase-II and TETRA.
